

Hello Everyone

I hope you have been enjoying the home learning we have been sending out. I'm sure you have been busy having lots of fun at home!

This week I did some baking. I made some white chocolate cookies, they are delicious.

Me, Chris and Sarah had a video call to talk about what this weeks learning was going to be. I bet you have been using video calls to keep in touch with your friends and family haven't you?

Meg and Mog have had a little pamper session this week. I cut their nails and gave them a good brush and also cleaned out their stinky hutch (I do this each week).

Don't forget to send me pictures via the home learning email:

[homelearning@halfway-inf.sheffield.sch.uk](mailto:homelearning@halfway-inf.sheffield.sch.uk)

So I can see all the lovely learning you are doing at home.

Stay safe and I hope to see you soon,

Adele

Hello everyone!

This week I sang Happy Birthday to my friend and made her some yummy cake and then I said Hello to my other friends new baby boy. I can't wait for a lovely cuddle of him.

I hope you are all keeping busy with your families.

I miss playing outside at nursery , do you remember when we played at being builders and we watched baby Ida have a bath?

I wonder what we will play when we come back to school?

Chris

Hello everyone,

I really enjoyed having a video call meeting with Adele and Chris it was so lovely to see them and speak to them both.

The weather has been a bit cold this week but I have still managed to get some fresh air, we made foam bubbles it was so much fun! You need an empty bottle an old sock, some washing up liquid and a bit of water. Ask a grown up to cut the bottom of the bottle and put the sock over the end, dip it in the solution and blow into the bottle and see how big and long you can make your foam bubbles.

Sarah
